

Workshop on „Open problems and future directions in heavy element nucleosynthesis”

Practical information and maps

Venue and registration

The workshop will take place at the Institute for Nuclear Research (Atomki), 4026 Debrecen, Bem tér 18/c. GPS: N47.544116,E21.624160. For entering Atomki, please use the entrance at Poroszlay street 6. For the first time you may have to identify yourself to the guard. Later you can enter by showing your workshop badge. The workshop will be held in the big lecture room of Atomki located in building XII top floor (see map).

The registration desk will be just outside the lecture hall. It will be open on Wednesday morning continuously. Later you can use the coffee breaks for registration-related issues.

(For those not supported by EuroGENESIS) the 100 Euro registration fee should be paid in cash only as well as the price of the airport shuttle (10000 HUF one way or 16500 HUF roundtrip).

Presentations

For the presentations a laptop with Windows XP SP3 is available with Adobe Reader 10.1.5 and Microsoft Office 2010. Please, upload and check your presentation well in advance. You may also use your own laptop. Checking the presentation is recommended also in this case. Wireless network is available in the lecture hall.

We are planning to collect the presentations and post them onto the workshop website. If you do not want your presentation to be included, inform us about it.

Coffee breaks and lunches

Coffee, tea, soft drinks and some biscuits will be served just outside the lecture room in the coffee breaks. Lunches will be served in the canteen of Atomki in building VIII ground floor (see map). If you did not do so at the registration, please, indicate as soon as possible if you have special meal requirements.

Workshop dinner

The workshop dinner will be held in Flaska Restaurant, Debrecen, Miklós u. 4 (see map). (with some Hungarian knowledge: <http://flaska.hu>). The dinner starts at 7 pm on Thursday evening. The restaurant is about 2 km from Atomki and a bit more than 1 km from the hotels on foot, walking through the city center. If you take the tram (see below), get off at the stop “*Szent Anna utca*” and turn right to Miklós u.

Laboratory visit at Atomki

On Friday afternoon some laboratories of Atomki can be visited. Please, inform us if you are interested in the lab visit.

Getting to Debrecen

Many of you will use the airport shuttle service organized by TOSI Trans (<http://tosi.hu/?language=en>). An SMS will be sent to your mobile phone on the day before the journey in the afternoon. This SMS will contain information about the pickup: time, exact location, car number. If you do not receive such an SMS until 6pm, please, contact us as soon as possible! The cars are usually label with “Tosi Trans”. **Important:** if your flight has a significant delay, please send an SMS to the company about it to: +36-70-3670707. This way you can be reassigned to a different shuttle and prolonged waiting time can be avoided for the other passengers. After landing please switch on you telephone immediately so that the driver can reach you in case of need.

Those who come by train, please follow the instruction at our website (<http://www.atomki.hu/heavyws/travel.html>). From the railway station in Debrecen take the tram (see below). If you should need further assistance, don't hesitate to contact us.

Local transportation in Debrecen.

The single tramline of Debrecen conveniently connects the railway station with the city center, the hotels used by most of the participants and Atomki. You can find the tram timetable at <http://www.dkv.hu/en/timetable/tram/1> . For getting to Atomki take off at the stops “*Bem tér*” or “*Weszprémi utca*” (Atomki is between these two stops). The hotels are located between stops “*Debrecen plaza*” and “*Eötvös utca*”. Tram tickets can be purchased at some kiosks and they are also available at the workshop organizer (300 HUF).

Hotels

The list of hotels with addresses and websites is given here. All these hotel can be found at booking.com, too. These hotels are within 10 minutes walk (or one tram stop) from Atomki.
